Just wanted to say Thank you
for yet another year with "The Brand".
I think probably 13 or 14 years
now. I appreciate your friendship,
and always providing me with a
great time! This is an appropriate
bourbon (whiskey) and my personal favorite,
I hope you enjoy it, and just know how
much my yearly trip means to me. Maybe

Good day Ray,

You and Your team was exactly the type of guides, cooks, & camp jack that our hunting group enjoys hunting with. We look forward to another hunt & fun experience with your team.

Patrick was our guide & he was awesome. I trained customer expectations at a Fortune 500 Company and Patrick exemplifies how customers should be dealt with and treated to be return customers. If I was still training I would use him as an example of how to treat costumers. He is fun to talk hunting about and fun to hang out and shoot the shit with. He knows the way of the Elk... You are very fortunate to have Patrick as a guide.

Ben is a great cook/ chef that takes pride in cooking & taking care of us hunters. As a coach of wrestling it was clear to me that Ben knows how to provide meals that are important to a hunter. My son, Justin & I were fortunate to tag out on day one so the extra calories that we usually consume each day for a long day of hunting were well appreciated!!! I forgot to mention Juan in the survey but Juan was also very friendly & willing to help out if anything was needed.

It was also a pleasure talking to you & hanging out at the camp.

Thank u 4 all you do for the great sport of Elk hunting, James "Coách"
